Payments are due the first of each month **and are late after 6:00 P.M. on the 20th day of the month and will be billed a \$25.00 late fee.** In the event that payment will be late for any reason, parents must fill out a "Late Pay" form, available in the office. In the absence of such communication the fee will be levied. **If payment has not been received or mutually agreeable arrangements have not been met by parents or guardians by the end of the month, the student will be released from school.**

REFUND/PAYMENT POLICY: When students leave in mid-term it can create a financial hardship on teachers and staff since annual financial commitments are based on first of the school year registration. In the event that a student must leave school prior to the end of the school year, the following policy will determine the refund amount or amount due:

1. Refunds on pre-paid tuitions will be issued only for quarters paid for, but not yet begun.
2. Partial refunds will NOT be issued for quarters begun but not completed.
3. Any unpaid fees will be deducted for the refund.
4. Should a student leave prior to the completion of a quarter, all tuition due or other unpaid fees for that quarter must be paid in full before the student's records can be released.

 If your student attended a private school last year, have all the fees to that school been paid in full? If not please explain: _____

We the undersigned have read, understood, and will comply with the above policy of Hosanna Christian School.
