

Letter from Hosanna's Board of Directors

Welcome to Hosanna Christian School! We value your commitment to the spiritual and academic well-being of your child. As parents, God has entrusted you with the task of preparing your children to fully embrace their God ordained destiny. We, the Board, Staff, and Parents of Hosanna Christian School are committed to walk alongside you to make certain that all God has preordained for your child is fully manifested.

Our mission statement encapsulates the heart of Hosanna Christian School:

"Hosanna Christian School, rooted in biblical foundation, and academic excellence, nurtures each student spiritually, intellectually, creatively, and physically, in a loving Christian environment, so they will live to glorify God."

We invite and encourage you to come for a visit and tour of our facility. Our staff and students are gracious and friendly hosts and our administration team will be available to answer all of your questions as well as guide you through the application process.

We know there are many choices when it comes to private education and we thank you in advance for considering Hosanna Christian School.

Together in Christ,

Board of Directors
Hosanna Christian School
